

***„Plant productivity and food safety:
Soil science, Microbiology, Agricultural Genetics and Food quality”***
15-17.09.2021 r.

Dear Conference Participants,

Our conference is coming soon. We kindly remind you to send your abstract. You can find abstract form in the attachment to the e-mail. The deadline is on 3rd September 2021.

Between 4 and 7 of September 2021, on the basis of received abstracts Organizing Committee will choose:

- applications that will be presented in the form of oral presentation,
- the best 12 posters (two for each session) that will be presented in form of 3 minute video (mp4 format) with 2 - slide presentation during the poster session.

After this time you will receive information about the decision of the Organizing Committee.

If you will be qualified for:

- the presentation – please send the ppt or pdf file to 13th September,
- the poster – please send the pdf file to 10th September
- the best 12 posters – please send the pdf file to 10th September and video to 13th September.

Thank you for registration and we are looking forward to your participation in the conference.
